

Pollyanna Technical rider

STAGE MAP :

Léa :
Cello (AER amp)
+
bass (optionnal)

MONITOR

Isabelle :
vocals +folk guit
(AER).
+ electric guit.
(Pod)

MONITOR

Two musicians on stage :

Isabelle (guitar + vocals) :

- 1 mic for the voice
- 1 Input for the AER amp,
- 1 DI for the electric guitar or direct input from the Pod to the table.

Lea (cello with a jack output + sometimes bass)

- 1 input for the AER (recommended) or DI for the jack output.
- 1 DI for the bass pod (optionnal)

Notes :

The band isn't very loud, and acoustic sounding. In small venues, it is not necessary to use inputs for the cello/guitar or mic for the voice, the AER amps are loud enough.
